# ABOUT US

APEX Education has emerged as one of the premier institute of West Delhi, for IIT-JEE/ PMT/foundation and various other Engineering & Medical Entrance exams preparation. Being situated in a prime location of Janakpuri & Dwarka amongst some of the premiere institutes, where students across the country come with great expectations . At APEX Education we not only fulfil their expectations but also helps to strive in their educational pursuits and in this way we develop student's potential day by day till their success .

## OUR MISSION

The mission of the APEX Education is to bring out the hidden talents of those sections of the students who are equally capable like their counterparts, but lack the opportunities. They have all the potential to succeed but they don't realize their innate abilities. If they realize then they don't have proper resources and guidance.

## VISION

The Vision of APEX Education is to be a leader in IIT & MEDICAL coaching by providing an affordable and unparalleled learning in a supportive and caring environment that leads students to successfully complete their goals.

## Why to Join APEX Education

1. Provides ultimate course "NO SELECTION, NO FEE"
   (100% fee will be refunded if selection not occurs in government colleges).
2. Assured 90% questions tally in JEE / PMT exams from our classroom program.
3. Free Demo classes for one week.

10. Proper batch size and proper feed back and monitoring system.
11. Ultimate rank booster package for IIT/Medical exams.
12. Flexible and easy fee payment method and easy refund policy

## Teaching Methodology

The teaching in Apex Education will stress on building the strong foundation in respect of the fundamentals of the students. Every core concept is explained in a lucid manner so that every student may be able to grasp it and apply it, for complete clarity of the theoretical concept, various problems based on the related concept are solved & explained by Teacher. The Faculties of Apex Education are well reputed for their quality teaching and they are trained such a manner so that it enhance the problem solving skills and analytical abilities and the concepts & questions explained by the teacher through easy, tricky, simple & innovative methods increases the interest of students in study & motivate them to further study & practice.

## Relevant Practice Materials

Practice is one of the most important aspect of preparation and most important tool of perfection, Apex Education will conduct quiz tests in the class room. The quiz test paper will be based on the topic just concluded and the evaluation of same will be done on the spot in the class. The concept based any problems attempted incorrectly will be explained again. Intensive Practice Paper (IPP) containing some model problems of multidimensional nature will be given to each student in all subject time to time. The IPP will be of two types : Main Practice Paper (MPP) & Advanced Practice Paper (APP) and these will be very useful for JEE (Main) / PMT and JEE (Advanced) Preparation, respectively

## Backlog Clearance & cope-Up-Classes

If any student missed the class for some valid reasons, the student may contact his/her concerned teacher. The teacher will try best to arrange classes by self or some other faculty. But it adviced to each student that they don't miss the regular classes. It must be noted that IIT-JEE or AIEEE(now JEE) / PMT students must be free from any home sickness and other activities. After achieving success one should respond positively to all obligation with zeal and helping hand.
